

Aaron Burrows

Aaron is a Bay Area native who started with the sport of swimming in San Jose as a child. As he grew older, his enthusiasm to share what he had learned extended to teaching swimming lessons at the young age of fourteen. As an adult Aaron swam for his college team in Bakersfield, returning to teaching lessons every summer. Also in college, Aaron became a USA Coach Member for a local USA Club team in Bakersfield in 2001.

As a member of USA Swimming, Aaron has had many opportunities coaching swimmers at swim meets such as Western Zones as both an assistant coach and a Head Coach, and has led swimmers to be successful on many levels in the sport of swimming. Aaron is looking to further his knowledge and participation within the sport and his new home of Pacific Swimming.
