Q&A - session

4:30 - 6:00 on keynote address - thriving in transformational times - [Grand 5, 6, 7, & 8]

The environment is changing, the world is changing. Organizations are changing...what happened to Kodak? Generations are changing. Big shift in demographics. Growth in populations of color.

Must remain relevant. Trust is important.

Must learn new things. Must stay current to remain relevant. Exercise and food. Must use your mind...the mind is key. Must learn something new.

Need to know the difference what is new and what better.

Importance of social media. This is the most influential mode of communication.

Age of connections. Pages, and People. Now machines are learning what you want..now this is the age of DATA.

Awesome presentation on the changing environment

1:00 - 1:50 WZ Open D&I Meeting [Boardroom 1]

12 participants from the Western Zone attended this meeting. 1 participant from the Eastern Zone, 1 participant from the Central zone, and 1 from USA Swimming.

The following LSC's were represented:

San Diego, Utah, Montana, Pacific, Pacific Northwest, Oregon, Indiana, Southern California, Wyoming, Inland Empire, Potomac Valley, Indiana, and Alaska. This was the second time that we were able to get a room and on the Convention Schedule.

Program:

Western Zone Diversity & Inclusion Committee Convention Meeting

60 Minutes

Target: *LSC D&I Chairs, LSC D&I Committee members, board members, LSC athlete and non-athlete convention delegates interested in diversity and inclusion.*

Goals: *Provide a pathway for individuals to move their LSC forward in a deliberately specific way (twice).*

Develop a pathway and initiate progress moving the Western Zone forward in three specific initiatives; and identify new task force members for those initiatives.

Incubate inter-LSC partner and mentor relationships.

Round 1 – Participant “Check-in” (5 minutes)

We will go around the circle checking in. Example of a check-in may be: Name, LSC, LSC role, and how they are feeling in one word.

Rounds 2-3 – LSC Mentoring (30 minutes)

Kent will assign topics to different mediators and spread out in the room. There will be two 15-minute mini-sessions. Suggested use of time is for the mentor to discuss what they do, their challenges, and perhaps what they foresee in the future; followed by either experiences of other LSCs and/or questions and answers.

Assignments: *At the end of each round participants will self-select partners—Kent can provide selection guidelines—and each person will share one goal with their partner, exchange phone numbers and a date for upcoming monthly progress check-in.*

Round 2 Topics: LSC All-Star Team Nominations (Audrey, Sarah)
LSC Diversity & Inclusion Camps (Veronica, Sarah)
Outreach Expansion (Susan, Sarah)
Women’s Leadership Initiatives (Dane)

Round 2 Topics: Athlete and Non-athlete Education (e.g. coaches, board) - Dane
LGBTQ+ Initiatives (Victoria)
Team Grants & Training Subsidies (Susan, Veronica)
Swim1922 & Free Swim Clinics (Sarah)

Round 4 – Zone Programs (20 minutes)

Topics are assigned before summit by Kent and groups will be spread out in the room. Before we start Round 4, each group leader will have 90-seconds to pitch their group to participants. After that participants will self-select into groups and the group will have 16 minutes to get started on the next steps for their group, hopefully at the end having participants excited enough to keep the subcommittee or task force moving forward... maybe even selecting meeting days and times for future phone meetings.

2020 Western Zone D&I Select Camp

Western Zone All-Star Team

Combining Disability under the D&I Umbrella

At the end of Round 4 each group will create a sign-in sheet, which will be the basis for new task force member.
