### **RULES AND PROCEDURES**

**MEET REFEREE:** The Meet Referee will be in charge of the meet. Any questions regarding the conduct of the meet should be made directly to that person.

**RULES:** USA Swimming Rules and National Championship procedures will govern the meet. Meet entry times must be designated 'Y' for yards or 'L' for meters. The National Championship scratch procedures will be used for prelims and finals. In order, there will be a "C", "B" and "A" Final for all events except 800 and 1500 freestyle and relays. All entered swimmers (including RELAY ONLY) must be on a team entry form. Positive check-in for the 800 and 1500 Freestyle AND ALL Relays is required by the day's scratch deadline.

**RECORDING DEVICES & MEDIA NOTICE:** The use of audio-visual recording devices, including cell phones, is not permitted in the locker rooms, changing areas or restrooms. Recording devices are not permitted behind the starting blocks during the starting sequence through the meet. This meet may be covered by the media, including photographs, video, web casting and other forms of obtaining images of athletes participating in the meet. Entry into this meet is acknowledgement and consent to this fact.

**SWIMWEAR:** Swimwear must conform to USA Swimming rule 102.8. Only swimsuits complying with FINA swimsuit specifications may be worn in any USA Swimming sanctioned or approved competition.

**DECK CHANGING:** Except where venue facilities require otherwise, changing into or out of swim suits, other than in locker rooms or other designated areas, is not appropriate and is strongly discouraged.

**RACING START CERTIFICATION:** Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start, or much start each race from within the water. When unaccompanied by a member coach, it is the responsibility of the swimmer or swimmers' legal guardian to ensure compliance with this requirement.

**PROOF OF TIME:** This is a proof of time meet. The meet host will verify all entries against the USA Swimming SWIMS time database. An unverified entry time must be proven by the scratch deadline or the swimmer/relay team will be scratched from that event. Only swimmers/relay teams with verified times will be seeded. Entry times not proven by the scratch deadline shall be subject to the "Responsibility Clause" in USA Swimming Rules and Regulations (207.8.5A). **NOTE:** Proof of Time is required through SWIMS, the national times database, or recognized FINA competitions. Times must be achieved at (a) a USA Swimming sanctioned competition; (b) a USA Swimming observed competition; (c) a USA Swimming approved competition; or (d) a FINA approved competition. Times in this database are not meet entry, only proof of entered time.
